B. Mohomed Usmon, Esqr., L.M.& S.,
Senior Surgeon with the Government of Mysore,

To

The General Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore

Sir,

In continuation of my letter No.G.C. 202-13 dated 27-2-192[illegible] reporting the opening of a dispersary on a reduced scale of expenditure at Hosur, Goribidnur Taluk, Kolar District, as per Government order No.G. 4673-40/med. 49-25-102 dated 4-11-1927, I have the honor to forward herewith letter No.TADA 1472 dated 12th April 1923 in original from the Comptroller, Mysore Government, interpreting the said Government order as sanctioning a dispensary with the establishment recommended by the District Board as read in the preamble of the order, viz., a Sub Assistant Surgeon, a Midwife and a Peon, whereas what is actually sanctioned is, in my opinion "the conversion of an indigenous medical institution into a Local Fund Dispensary on a reduced scale of expenditure" as detailed in the Government order of 26th August 1927, first read in the same preamble. If the Comptroller's interpretation that the present Government order sanctions nothing more than what has been specified in para 2 of the preamble, be accepted, then, there is no authority for any expenditure on Europe and Local Medicines and Contingencies as these are also not mentioned in said para.

I therefore request the issue, at an early date, of another order, or instructions to the Comptroller to the effect that the scale of expenditure of the Hosur Dispensary is the same as that laid down in Government order of 26th August 1927 for similar dispensaries in the Hassan District.

I have the honor to be, Sir,
Your most obedient servant,
Usmon
